THE NARRATIVE & MATCH FACTS

A Rematch of the 2022 Semi-Final: Four years ago in Qatar, France stopped Morocco's fairy-tale run with a 2-0 victory. Today, a heavily fortified Moroccan side featuring the spectacular form of Real Madrid's Brahim Díaz and Paris Saint-Germain's captain Achraf Hakimi seeks revenge. France boasts a formidable arsenal led by global icon Kylian Mbappé and playmaker Michael Olise.

Tactical Battle: France's lethal and direct transitions will clash with Morocco's renowned compact defense, which has conceded the fewest goals in the African Qualifiers. It is a true 'irresistible force vs. immovable object' clash on Boston soil.
